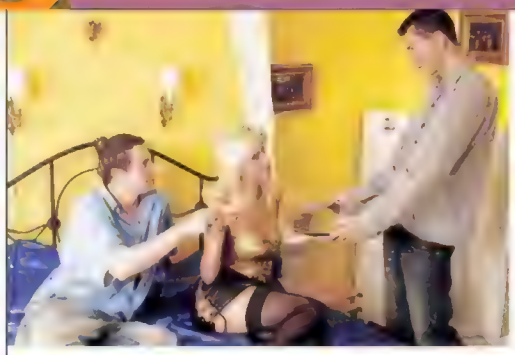
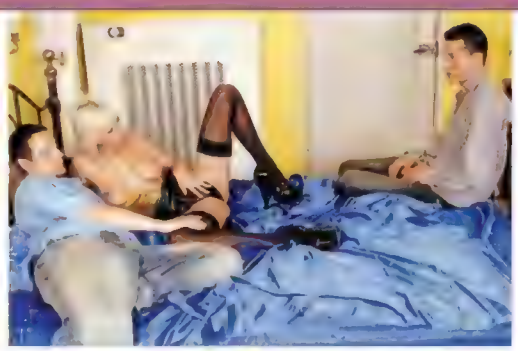
First-year college roommates always share a special bond. Katy and Ana got along from the moment they met. They decided to get rid of one of the beds in their tiny dorm room and get a couch instead, planning to trade off nights sleeping in the one remaining bed. One night Katy came home late and, forgetting that it was her night for the couch, collapsed into bed on top of Ana. Ana had fallen asleep masturbating and was naked. As soon as she felt the smoothness of Katy's warm body her crotch dampened. She kissed Katy on the mouth, and pulled one of Katy's hands down between her legs. Katy kissed back and slipped a finger inside of Ana's steaming pussy, wriggling it around and causing Ana to buck her hips in pleasure. That night neither of them slept much. Now they always sleep in the same place together, but only after they make each other cum. And they are definitely rooming together next year!

& Ana





Alexis met out of towners Robin and Martin in the hotel bar of her neighborhood Cumfort Inn. She learned long ago that a surefire way to get laid was to hang out there during the joint's ever-popular karaoke night—a good gathering spot for crowds of lonely travelers seeking temporary company. This time her lucky gold sequined top brought her twice the fortune for her cookie, drawing attention from pricks of two working stiffs who were in town for only one night. After brief

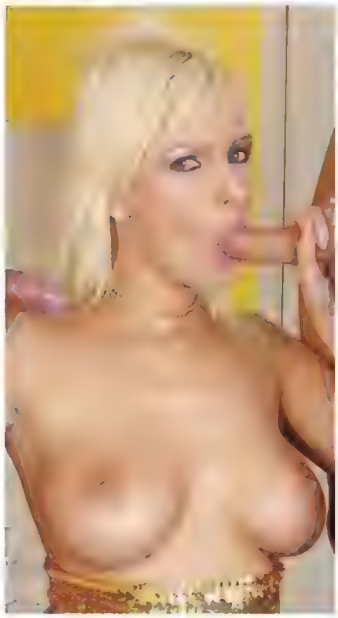
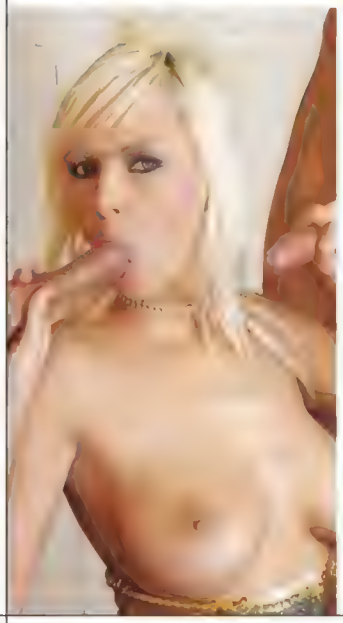
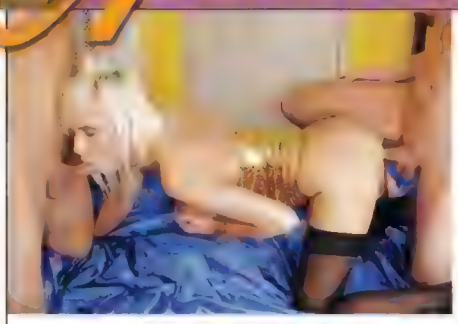
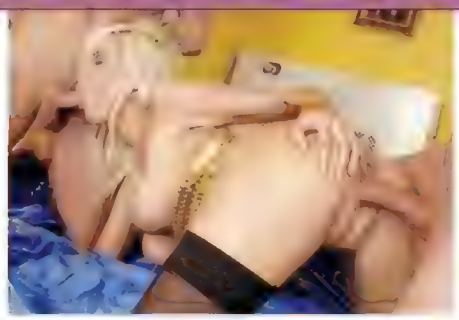
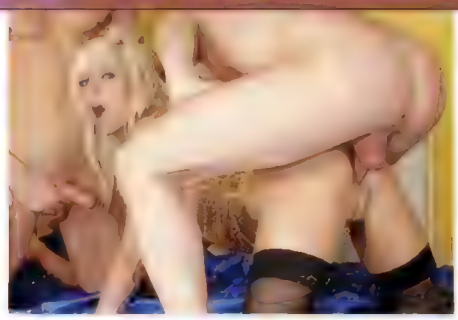
introductions the trio retreated to Martin's deluxe suite where they quickly fell to fucking. With one cock mashed in her mouth and the other crammed in her clam Alexis was wholly happy. Especially when her suitors simultaneously pulled out to copiously cover her crotch and face with peckeroo paste and neither dude got a drop on her treasured top!

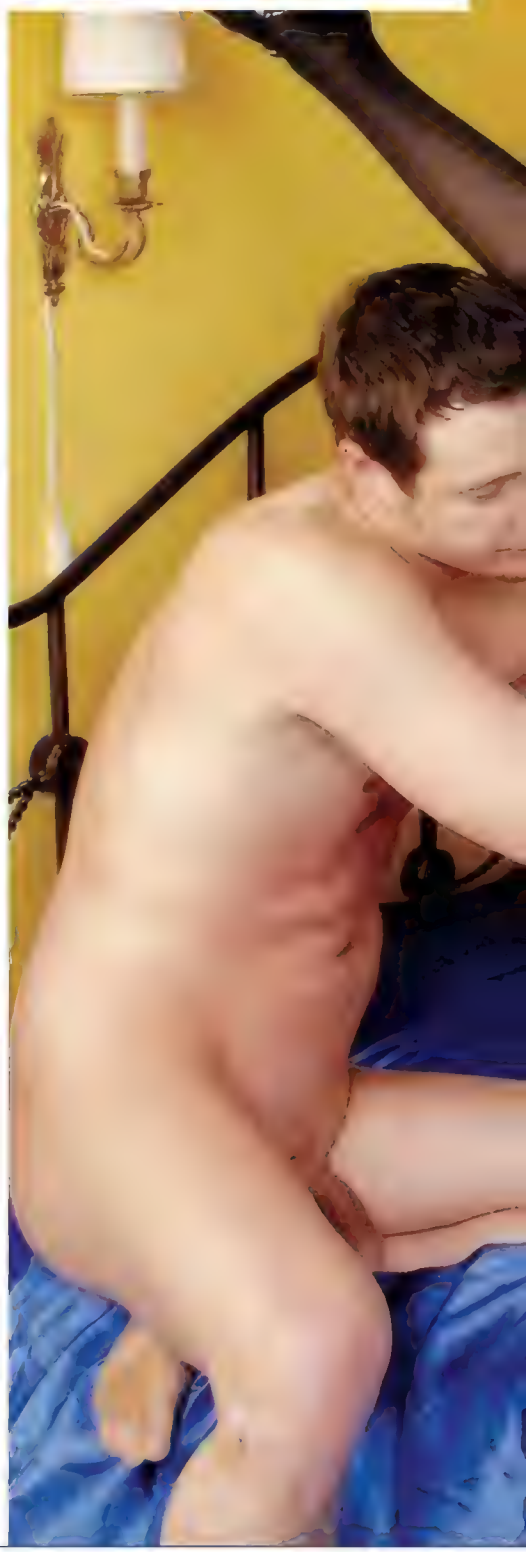




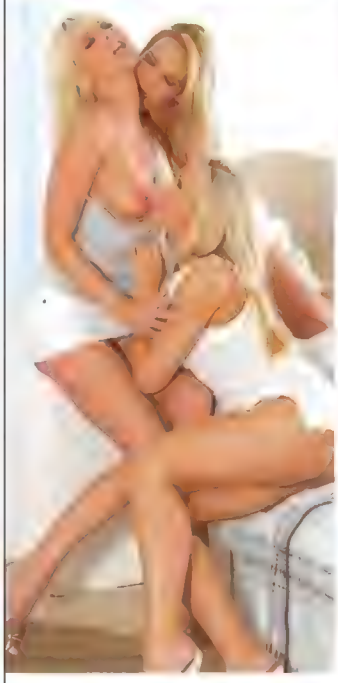








Blue, James & Nick



Three blond dykes, three blond dykes; see how they cum, see how they cum! Martina, the farmer's wife, had her eye on lusty milkmaids Michelle and Kara for quite a while before mustering up the courage to invite them in one morning while her husband was out plowing the field. The three fair-haired beauties sat down to have a bite to eat and it didn't take long for them to launch into a ➢

full-fledged muff munch as all of them happened to be starving for breakfast. The labe-lapping ladies all snacked and sucked until they had their fill, then the spent sluts rested a while before helping themselves to seconds of sweet, sugary snatch. What healthy horny appetites they had! Theirs was a spectacularly gooey three-way gash bash like no other fuck fest before it. Did you ever see such a sight in all your life?

Dear Staff,

You have a very hot magazine. The issue #16 was outstanding. I really liked "Four Toys in One Doll." I know you like us to tell you what pictures we enjoyed and I was really impressed by the top one on p. 110 where the girl curled her toe with the blue nail polish. And the top one on p. 115 where she had three vibrators in her pussy and one in her behind—I don't think I ever saw anything like that lately! But she had to finish with the real thing in her and I liked that shot showing her licking the curved cock and then taking it in her ass on p. 117. Liked the little square of pubic hair over her pussy too.

I hope my selections help you pick even more hot photos in the future.

Dear SWANK EXTREME:

There is so much ass-fucking and double penetrating in your last issue that my own ass feels sore just from looking at it and I'm a guy and I've never been fucked in there! And for that I am thankful. Still, my teachers and mentors always used to tell me, "Ralph, you have a lot of empathy for a man," and I guess that means I can understand what other people feel, even girls in porn magazines who get stuffed by the gigantic cocks your editorial staff always locates for your pictorials. Just thought I'd share that with you! Kudos on a hot mag.

Ralph

Dear Magazine Staff,

I bought the #16 issue. Then I bought the movies you wrote about in the Sick Sinema Review on p. 132. I can't wait to see Gape Lovers 3 this weekend featuring the girls with open assholes.

I really loved "Real Blondes Have Real Orgasms." It was cool when they ate strawberries after they had their cums! That dildo they used looked like a baker's rolling pin. I guess they left their real dildo at home! Maybe next time you can show blondes make orgasms and bake bread!

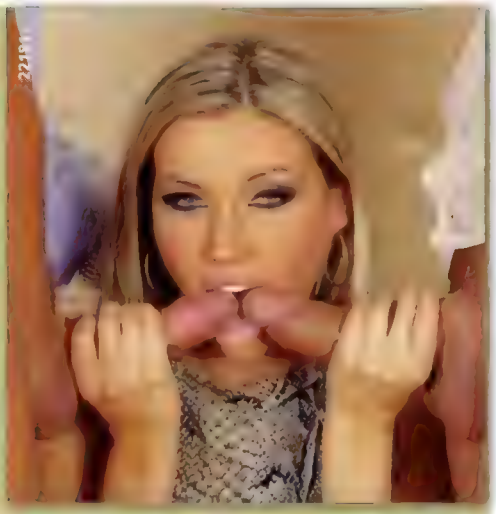
Dear Editor,

I'm still recovering from the pictorial "A Pole in Every Hole" in Swank Extreme #16. You see, the blonde looks like my wife. Oh, it's not her, but the same type. I'm an ordinary looking guy, not up to her level, but I guess she married me for my money (I have a good business). Anyway, I'm always afraid my wife is going to cheat on me (she's 15 years younger too), but even though I'm afraid of it the idea also turns me on. So when I saw that pictorial in your magazine, it was like seeing my fear and fantasy brought to life. I bought the magazine and snuck it into the house because I was ashamed my wife would see it and understand what's going through my head and tell me that if I want her to cheat on me like the girl in the pictures, then she will.



I went into the downstairs bathroom while my wife was on her computer upstairs, I looked at the photos and jerked off. I came so hard to the picture on p. 105 that showed the double penetration with the two cocks stretching the blonde while she had a mean look on her face and stared right into the camera. I would love to see my wife do something like this but I don't know if I could take it. My worst/hottest fantasy is that she has me watch her fuck two guys and then after they cum in her ass and pussy they all take me to get a tattoo of the word "CUCKOLD" put on my ass.

I don't know if I should thank you or curse you for showing me my fantasy/fear in such hot photos.

Dear Editor,

The blonde in "Nut Slurpin' Sweet" is quite charismatic. Her intense seductive eyes remind me of that actress from the 60s, Sue Lyon. Your model really puts her sexy mouth to good use on that lucky cock. I like when she looks up at the dude while licking the bottom of his shaft with her tongue. And she's not afraid to press her face against his balls and get a mouthful of wrinkly sac. What a trouper. And her twat! I love them meaty like that, plump and where you can see the outer lips hugging the dick as it pushes inside. Best of all, I like that sly look in her eye when she sits down on that upraised rod and takes it all the way. This is a slut who means business, and a girl who has made me cum nightly since I bought your last issue.

Tom from Toledo

To the Editors,

Your big-cock male models have all the luck. They get to fuck such beautiful babes! I like the girl in "More Than a Mouthful" in the #16 book. I like girls with heavy dark eye makeup! It makes them look so slutty! And she had such a thick hot ass too, and took all that cock inside it! That cock was big, really really big! These male models have such big cocks! My cock is not big like that. If my cock was in her asshole at the same time as the male model's cock was, she would not even notice it! Yes, I go through life with a small cock, but it is good enough to masturbate with. Thank you for giving me jack-off treats with every issue of your magazine.

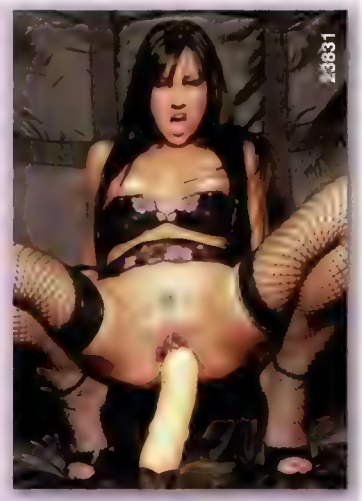
Dear Editor,

I got your magazine Swank Extreme #16 by mistake when the news dealer took the wrong one off the rack and put it the bag before I could see it. In my area, they don't allow us to look at the magazines before we buy them. I had meant to get another, tamer, more normal magazine. I should have checked the bag before I left but I didn't.

Anyway, the issue was an education for me in extremity. I couldn't handle all of it. The story about the guy hooking up with the girl through the Internet, "No Strings Attached," was hot but fairly normal, but the article about "Sexual Stuntwomen" was quite shocking. These porn stars who make their anuses gape with holes as big as quarters? Ladies, whatever happened to gentle ass-worship, kissing the cheeks and maybe a man running his finger along your shy sphincter? Oh well, I guess you don't call it Swank Extreme for nothing.

I wonder if the pictorial "Beauty and the Monster Dildo" is a forecast of things to come as far as women's sexual behavior in our society. I guess I prefer more ladylike behavior in my choice of loose women; the nameless brunette who got animalistic on that enormous dong was not exactly my cum of spunk. She seemed to revel in the freakiness of her behavior. Well, it was too much for me, especially the shot where she was trying to fit that dildo into her mouth. I had to turn to the more normal "Firecrotch Love Tunnel" where a redhead sucked a cock and fucked it, and it wasn't as thick as a log.



I guess I fall more into the "normal" side of extremity, but at least to your credit you have both the "normal" and "over-the-top" brands of extremity in your magazine, giving your readers a spectrum of choices. Although I got your magazine by mistake, next time I'll buy it deliberately and see what sights you have to offer. After all, I don't have to stare at the things that disturb me, and there were enough normal things to excite me in the normal way I prefer.

Dear Editorial Staff:

My boyfriend Vic had a copy of Swank Extreme in his nightstand. When he ran down to the drugstore to get some cigarettes after we had a marathon fuck session, I passed the time looking at your magazine. I was in his bed naked and playing with my pussy. You'd think I would have been satisfied after getting all the fucking I'd just gotten but no, I wanted more. When I saw the pictorial "Bottle Service" with the girl putting the tip of a champagne bottle into her pussy while sucking off the guy, I started to think that was something I could do too. I put my head back on the pillow and looked at the pictures while rubbing my clit. The girl looked so into the bottle that she hardly got fucked at all in the pictures! She almost forgot to suck her guy's cock! I closed my eyes and imagined getting done with a bottle like that, but not neglecting the real cock. I imagined myself pushing the tip of a bottle just a bit inside my pussy with both hands while Vic straddled my face and fucked my mouth. I got so hot thinking about this that I didn't even notice when Vic came in. He saw me with the magazine across my face and my hands in my pussy working my clit and hole like crazy. When I felt him climb on the bed I pushed the magazine away and he was smiling at me, his cock already out of his pants. "Get that champagne from the fridge," I said, "the stuff your boss gave you from Christmas that we didn't drink yet." Vic didn't know what was up, but I was about to show him!
